Fitness Class Descriptions

Spin

"High-energy cardio on two wheels!"

Ride to the beat with powerful climbs, fast sprints, and pumping music. Burn calories, build leg strength, and boost endurance—all at your own pace.

BLT (Bums, Legs & Tums)

"Shape, strengthen, and sculpt your lower body!"

A dynamic class targeting glutes, thighs, and core through resistance, bodyweight, and functional movements. Ideal for toning and building strength where it counts.

Aqua

"Low-impact, high-energy water workout!"

Train in the pool with resistance from the water for a joint-friendly, calorie-burning session. Perfect for all fitness levels, combining cardio, toning, and fun.

Body Pump

"Full-body barbell workout for strength and endurance!"

High-rep, low-weight resistance training designed to tone, sculpt, and improve muscular stamina. Set to motivating music, each track targets a different muscle group.

Bootcamp

"Strength, cardio, grit—one intense session!"

Challenge yourself with a mix of strength drills, explosive cardio, and functional movements. A total-body workout designed to push limits and build results fast.

Gym Circuits

"Fast-paced training that hits every muscle!"

Move through a series of targeted stations to build strength, improve cardio, and boost metabolism. Perfect for a time-efficient, varied workout.

Fit Ball & Core

"Stability, strength, and serious core work!"

Using a stability ball, this class improves balance, tones your midsection, and strengthens supporting muscles. Ideal for better posture, control, and overall strength.

Strength & Tone

"Define muscles, build strength, and move better!"

Focus on resistance training with controlled, purposeful movements. This class shapes lean muscle while improving stability and functional strength.

Gym Education

"Master the gym, one machine at a time!"

A guided session teaching correct form, equipment setup, and safe techniques. Perfect for beginners or anyone looking to refresh their skills and train smarter.

Hyrox

"Functional fitness meets competitive challenge!"

Train like an athlete with this hybrid workout combining running, strength, and endurance-based functional exercises. Perfect for those who love high-intensity training or want to prepare for Hyrox events.
