THE
FORDE
SUITES

Down to Business

The Johnstown Estate is the perfect conference destination, where business and experience come together seamlessly - from exceptional dining and stylish bars to wellness facilities and outdoor team-building across the estate. At its heart is The Forde Suites, our dedicated conference space, designed to impress with a private entrance, expansive LED screen and thoughtfully designed breakout and coffee

areas, creating the ideal setting for impactful, large-scale events.

For smaller gatherings or breakout sessions, our Manor House meeting rooms offer a more intimate alternative, where elegant Georgian interiors provide a refined and character-filled setting for focused discussions and meaningful connections.

Flexible Space, Exceptional Capability

The Forde Suites offers a highly versatile, multipurpose environment designed to adapt seamlessly to a wide range of events. A defining feature of the space is the integrated Video Wall LED screen (P2 resolution), measuring 6m wide by 2.75m high, delivering a high-impact visual experience with universal device connectivity.

The impressive 890m² pillar-free ballroom can be divided into four separate suites, transitioning effortlessly from exhibition to seminar or dining

space. Accommodating up to 1,200 delegates, it benefits from a private entrance and foyer, all enhanced by an abundance of natural daylight.

The dedicated entrance leads into a light-filled Orangery, complete with a stylish cocktail bar and adjoining terrace overlooking the estate's beautiful walled garden - the perfect setting for outdoor dining, barbecues or relaxed networking moments.

Manor House Meeting Rooms

Echoing The Estate's luxurious Georgian provenance, we have 8 tastefully decorated meeting rooms of various sizes in the original Manor House Meeting Rooms, the majority of which have beautiful solid oak boardroom tables for between four and 16 people. Others are flexible for up to 30 people for training or seminars.

All have natural daylight, or overlook our light-filled, glass-ceilinged atrium. The Mezzanine Gallery connects all the Manor meeting spaces and is the perfect spot for coffee breaks and checking emails.

Beyond the Boardroom

Good business gets done over great food, so when the hard work of the day is complete, your group may want to kick back and relax a little. We offer Gala Dinners, relaxed Summer Barbecues, Christmas parties, bespoke menus in

our contemporary fine-dining restaurant, Fire & Salt, and impeccable cocktails at our captivating garden terrace cocktail bar, Parterre.

Culinary Solutions

Food is our calling card, with fresh, seasonal ingredients a corner stone of the menus which are designed by our Executive Chef. Our culinary team offer lots of options in addition to traditional banqueting, and all menus can be tailored to your event's specific requirements.

For private dining, Fire & Salt - our contemporary fine-dining restaurant - is available, and our manor dining rooms - The Burgundy, The Willow and The Rose - are an atmospheric and unique option for group dining.

Residential delegates have a variety of options to choose from, including 67 Deluxe bedrooms featuring free WiFi, workstation and trouser press, plus a further 55 Executive Deluxe bedrooms which have additional luxuries such as an Espresso machine, robe and slippers. areas in each; and for the ultimate indulgence, The Lady Margaret Suite spans 3 rooms at the front of the original manor and is perfect for any CEO or Chair of the Board. Finally there are 40 two-bedroom lodges offering space and flexibility for longer stays.
