

THE BIG PICTURE

Teams embark on a collaborative journey, painting individual canvases without knowledge of the 'bigger picture' until the final reveal.

SYNERGYK

An AI Bot-driven team building challenge full of old school classic mini-games like Snake and Space Invaders.

FLAT OUT: F1

Collaboration & communication are essential to design and build an almost full-scale Formula One car. (Outdoor space required for finale race.)

BRAINSTORM

Team play, commitment and collaboration are important requirements to progress through the different stages of these cerebral challenges.
